Contents of Volume 40

Number 1, January/February

Flowering Times in *Viburnum*
Michael Donoghue 2

Itea: Summer Flowers and Autumn Color
Gary L. Koller 23

A Taste for Horticulture
B. June Hutchinson 31

Number 2, March/April

Mr. Dawson, Plantsman
Sheila Connor Geary and B. June Hutchinson 51

The Bladdernuts
Richard E. Weaver, Jr. 76

Outstanding Plants of the Arnold Arboretum:
Amelanchier arborea
Richard E. Weaver, Jr. 94

Books Received 98

Number 3, May/June

E. H. Wilson as a Botanist (Part 1)
Richard A. Howard 102

Mapping the Collecting Localities of E. H. Wilson in China
Kristen S. Clausen and Shiu-Ying Hu 139

Outstanding Plants of the Arnold Arboretum:
Prunus cyclamina
Gary L. Koller 146

Number 4, July/August

E. H. Wilson as a Botanist (Part II)
Richard A. Howard 154

Outstanding Plants of the Arnold Arboretum:
Quercus x *Sargentii*
Ida Hay 194

Books Received 200

Number 5, September/October

Sargent's Weeping Hemlock Reconsidered
PETER DEL TREDICI 202

Outstanding Plants of the Arnold Arboretum:
Pseudolarix amabilis
GARY L. KOLLER 225

Number 6, November/December

The Director's Report
PETER S. ASHTON 238

The Restoration of Oak Path
RICHARD E. WEAVER, JR. 294

Index to Volume XL
